Tie Breaker: total points of Super Bowl – closest one wins (over or under) _____

Format: the same format will be used as last year. There are 6 different columns of teams and you will need to circle the team of your choice in each of the 6 columns. The 6 teams you pick will accumulate points every time they win, from opening day through the Super Bowl. Points will be determined by the margin of victory. Example, Seattle 45 and Denver 10. Everyone who picked Seattle would get 35 points and everyone who picked Denver would get 0. If your team shuts out their opponent, they will earn a bonus 20 points. If your team holds their opponent to one field goal, or a safety, they earn a bonus 5 points. The two teams that earn a bye for the playoffs will earn ten points during their bye week. I will post results on the website by Tuesday evening. Payoff amounts will be posted during week 2. Extra copies of this form can be found on the website.

Entry Fee: \$20 (cash or check made out to Kevin Olberding) or Venmo (@Kevin-Olberding-1). Payment and forms must be postmarked or received by September 6, 2023.
